Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

This application was filed on April 18, 2006 as a national phase application of PCT/DK2004/000748. As indicated in the Transmittal Letter to the DO/EO/US and the Application Data Sheet, this application claims the benefit of provisional application no. 60/516,619 filed on October 31, 2003.

However, the filing receipt received by Applicants omitted the provisional application in the Domestic priority data. Applicants therefore request the issuance of a corrected filing receipt with complete Domestic priority data.

Applicants submit that the error was the fault of the USPTO and therefore no fee is due.

Respectfully submitted,

Date: January 23, 2008
